## Introduction

[Next Page](#)

[The Basics](#)

[hungry shark evolution](#) is a game based around the survival and growth of your shark. As a shark, you must eat in order [to](#) survive, while at the same time you will grow from a baby shark into a hulking [great white](#) that is the fear of all-else in the ocean. Developed by Future Games of London, Hungry Shark Evolution is one of the best looking mobile games, featuring varied levels, food-types and gameplay mechanics.

This guide contains information about the gameplay mechanics, leveling up, [shark](#) types, [shop](#), [maps](#) and hints and tips that you may need [to](#) help progress at the game.

Tips unlimited survival time

1 play as the tiger shark go to the giant crab lair

2 at the lair go to the top and you will see some

rocks theirs ablob fish their and eat it and then go

to the other rock and eat the other blob fish and then go back

to the first rock or blob fish which you ated already

and then the blob fish will respawn and then go t

the other rock again and eat the blob fish again

3 repeat
